

SHEAFFER®

New Product Details Sheaffer

SHEAFFER QUATTRO - MULTIFUNCTION PEN

- The Sheaffer introduces first ever slim and sleek 4-in-1 multifunction pen with stylus.
- A multi-purpose tool is useful navigating your digital devices with the *stylus* and a simple twist makes it switch from black to blue to red *ballpoint pen*.
- Available in most popular corporate gift colours - Metallic Black, Metallic Red and Metallic Blue with chrome appointments.
- Presented in a luxury WW30 box.
- 1 Year warranty against manufacturing defects.
- All instruments feature the Sheaffer® White Dot, the trademark symbol of writing excellence.
